## Prepare for the IELTS at LINGUISTA Ottawa

### IELTS

Recognized by over 6000 institutions in over 135 countries, IELTS is the world's most popular English language test. IELTS testing can be the gateway to universities, employment opportunities and immigration to Canada.

The test is divided into two streams: Academic and General Training. Students who are taking the test to gain entry to Universities will take the Academic test, which is more difficult as it focuses on academic English. Students who are taking the test for work or for immigration purposes can take the General Training test, which is widely accepted to be less challenging. All candidates will take the same Listening and Speaking Modules, while the Reading and Writing Modules will differ between the Academic and General versions of the test.

The test is 2 hours and 40 minutes for the Listening, Reading and Writing sections. The Listening test is 40 minutes, the Reading Test is 60 minutes, and the Writing test is 60 minutes. The Speaking test usually takes between 11-14 minutes and can be taken separately from the other sections.

The test can be taken in Ottawa for \$265. Test dates for 2010 are as follows:
